You're invited to a community charrette

Have you ever been invited to a charrette? Here's your chance. It's a fun, informal meeting and a great opportunity for you to help shape the future of South Lake Hefner. In the charrette, pertinent parties get together and discuss what they'd like to see included in a community-based design for the South Lake Hefner area. The area is located near the intersection at Meridian Avenue and Northwest Expressway and along South Lake Hefner Drive.

The charrette is a great opportunity, as a Lake Hefner community member, to become part of a team working together to come up with great ideas for developing and enhance the south Lake Hefner area. You can voice your ideas and opinions on ways to create the "South Lake Hefner experience."

During this first charrette, the team will discuss varying topics about the property from new development to public amenities such as family-friendly jogging trails, soccer fields, playgrounds and more. You'll also take part in a brief questionnaire. Answers will be compiled and used to help generate ideas for the future of South Lake Hefner.

Put your thinking caps and bring your ideas to the charrette.
We look forward to seeing you.

Date: November 10th, 2015

Time: 6:00-9:00

Location: John Marshall High School Cafeteria
12201 North Portland
Okc, Ok 73120

Bring your energy and imagination,

Thank You
